

# Equality Matters Have Your Say

**Equality means treating everyone in a fair way and with respect.**

Under the Equality Act 2010, public authorities like Brent Council must publish one or more equality objectives every four years.

- Brent Council is renewing its equality objectives for the next four years.
- We want to hear your views and ideas on what our new objectives should be.
- Your views will help to inform Brent Council's Equality Strategy 2019-2023.

## How can I take part?

We are holding a public consultation from 18 June-26 August 2019.

Please complete our short questionnaire online on the Brent Consultation Hub.

Alternatively, paper and easy-read copies are also available in Brent libraries or can be downloaded online.

We will be holding consultation events around the borough.

Please join us to share your views and ideas.

Please encourage people you know to complete the questionnaire, so their views can also be heard.

## We look forward to hearing from you!
